## **I've Got The Joy**

I've got the joy, joy, joy, joy down in my heart  
Down in my heart, down in my heart  
I've got the joy, joy, joy, joy down in my heart  
Down in my heart to stay

Chorus: And I'm so happy, so very happy  
I have the love of Jesus in my heart (x2)

I've got the love of Jesus, love of Jesus  
I've got the peace the passes understanding  
I've got the wonderful love of my blessed Redeemer

## **Now Let Us Sing** – Public Domain

Chorus: Now let us sing (Sing 'til the power of the Lord come down)  
Now let us sing (Sing 'til the power of the Lord come down)  
Lift up your voice (Lift up your voice)  
Be not afraid (Be not afraid)  
Now let us sing, (Sing 'til the power of the Lord come down)

Amazing grace, how sweet the sound that saved a wretch like me  
I once was lost but now am found, was blind but now I see.

Tw'as grace that taught my heart to fear and grace my fears relieved  
How precious did that grace appear, the hour I first believed

The Lord has promised good to me, his Word my heart secures  
He will my shield and portion be, as long as life endures.

## **We Are One In The Spirit** – Peter Scholtes

1. We are one in the Spirit. We are one in the Lord.  
We are one in the Spirit. We are one in the Lord.  
And we pray that all unity may one day be restored.

Chorus: And they'll know we are Christians by our love, by our love,  
Yes, they'll know we are Christians by our love.

2. We will walk with each other, we will walk hand in hand. (2X)  
And together we'll spread the news that God is in our land.

3. We will work with each other, we will work side by side. (2X)  
And we'll guard each one's dignity and save each one's pride.

4. All praise to the Father, from whom all things come. And all praise to Christ  
Jesus, His only Son, And all praise to the Spirit who makes us one.

## **Long Road to Freedom** – Sister Miriam Therese Winter

Chorus: It's a long road to freedom, a-winding steep and high.  
But when you walk in love with the wind on your wings  
And cover the earth with the songs you sing, the miles fly by.

1. I walked one morning by the sea and all the waves reached out to me.  
I took their tears and let them be.
2. I walked one morning at the dawn while bits of night still lingered on.  
I sought my star, but it was gone.
3. I walked one morning with a friend and prayed the day would never end.  
The years have flown, so why pretend?
4. I walked one morning with my King, and all my winters turned to spring,  
Yet every moment held its sting.

### **This Is God's Wondrous World**

Malbie D. Babcock, 1858-1901, alt.

This is God's wondrous world, and to my listening ears,  
All nature sings, and round me rings the music of the spheres.  
This is God's wondrous world, I rest me in the thought  
Of rocks and trees, of skies and seas, the wonders God has wrought.

This is God's wondrous world, the birds their carols raise,  
The morning light, the lily white, declare their Maker's praise.  
This is God's wondrous world. God shines in all that's fair,  
In the rustling grass or mountain pass, God's voice speaks everywhere.

This is God's wondrous world. O let me ne'er forget  
That though the wrong seems oft so strong. God is the ruler yet.  
This is God's wondrous world: the battle is not done.  
Jesus who died will be glorified, and earth and heav'n be one.
